CORE ESSENTIALS

When navigating business uncertainties, don't rely on incomplete information. Our 'Core Essential' services ensure you have the guidance you need to navigate those gray areas effectively.

HR A LA CARTE

There may be times when you need assistance with project(s) or services. With our 'A La Carte' services, THR provides occasional assistance without the obligation of long-term commitments.

STRATEGIC IMPACT ENGAGEMENT

Take advantage of substantial cost savings by outsourcing HR services. Our 'Strategic Impact' service is designed to provide ongoing continuous Human Resource support that seamlessly adapts to your evolving business needs.

The House of Resources, Redefining HR Outsourcing

LEGAL COMPLIANCE SIMPLIFIED

Workplace conflict is inevitable, given the diversity of personalities, work styles, backgrounds, and levels of experience among employees. Employment law issues occupy a significant amount of the company's time & resources. Partner with THR to handle compliance with confidence, while avoiding lawsuits and costly termination pitfalls.

HANDBOOK/POLICIES

An up-to-date handbook is essential for all businesses, - large or small. It promotes uniform and consistent treatment of employees, thus reducing the risk of discriminatory treatment. Our experts can audit or develop specific handbooks/policies to ensure your content is compliant and current.

JOB DESCRIPTION

Whether you're starting from scratch, seeking an overhaul, or just want to fine-tune your existing descriptions, we've got you covered. We specialize in preparing job descriptions that accurately outline job responsibilities and adhere to legal standards, minimizing potential risks.

**LEAVE OF ABSENCE
MANAGEMENT SOLUTIONS**

Managing LOA can be complex and time-consuming. Our services encompass leave tracking, documentation, policy compliance, communication with employees, and coordination with insurance providers. You can rely on us to handle the administrative burden.

RECORDS COMPLIANCE

Our compliance audits cover a wide range of records, including employee personnel files, I-9 forms, evaluations, corrective actions, leave of absence documents, & beyond. We ensure your records stay structured and fully compliant.

EMPLOYEE INVESTIGATIONS/CLAIMS

Anticipate and address workplace issues and claims before they escalate. Our services are designed to assist businesses in navigating and resolving workplace disputes and compliance challenges. We specialize in thorough, fair investigations to protect your business and its reputation. Trust in our experts to identify risks, prevent dissimilarities, and minimize employer liability.
